PARTNER COMMITTEE

TERMS OF REFERENCE

Purpose

The RBM Partner Committees (PCs) are intended to formalize, consolidate and amplify the Partnership priorities of advocacy, resource mobilisation, and country/regional support. The work of these Partner Committees are expected to align with the priorities outlined in the *Global Technical Strategy 2016-2030* and *Action and Investment to Defeat Malaria (AIM) 2016-2030*, as well as with the Partnership Strategy and Annual Budget and Work Plans.

The purpose of the Advocacy & Resource Mobilisation Partner Committee (ARMPC) is to design, and subsequently support implementation of the *Partnership Advocacy Strategy* (see below) related to advocacy & resource mobilisation at global & regional levels.

The anticipated outcome of the ARMPC is increased political will and linked financial commitment for a malaria free world in the Sustainable Development era. The ARMPC will address (1) identified resource gaps, and (2) broader partnership advocacy activities, including multi-sectoral outreach.
